Caught up

**Caught up to meet Him
Can't wait to see Him
When He cracks the sky
Can't wait to hold Him
By His touch I will know Him
Together Jesus and I**

The trumpet shall sound
We'll all be changed
We'll walk the streets of gold
One day I'm gonna behold
my Savior's face
I'll finally be in that place
I'll finally, I'll find peace
for my very soul

**Caught up to meet Him
Can't wait to see Him
When He cracks the sky
Can't wait to hold Him
By His touch I will know Him
Together Jesus and I**

In a moment in a twinkling
Oh, He's gonna call my name (yes)
I'll be caught up in the
twinkling of an eye (yes I will)
See, these other things
they don't compare
To the joy God's got over there
We'll be together we're gonna
get together.
Jesus and I (oh yeah)

**Caught up to meet Him
Can't wait to see Him
When He cracks the sky
Can't wait to hold Him
By His touch I will know Him

COME ALIVE 1/3

You stumble through your
days
Got your head hung low
Your skies are a shade of grey
Like a zombie in a maze
You're asleep inside
But you can shake awake

'Cause you're just
a dead man walking

Think of that your only option
But you can flip the switch
and brighten up your
darkest day
Sun is up and the
color's blinding
Take the world and
redefine it
Leave behind
your narrow mind
You'll never be

COR UNISO a Ijoctava GREU

Don't cry

Why do you cry? He has risen.
Why are you weeping? He's not dead.
X2

He paid it all on that lonely highway (hayyyy).
And his anointing I can feel.
He shed his blood (ohh ohh ohh).
For my transgressions (ohh ohh ohh).
And by his stripes we are healed.

Why do you cry?
He has risen.
Why are you weeping?
He's not dead.
So as you go through lifes journey (neeeee).
Don't you worry lift up your head.
Don't you cry (ohh ohh ohh)
stop your weeping (ohh ohh ohh)
He has risen He's not dead.

Don't cry
wipe your eyes
He's not dead.

ohh ohh ohh ohh
Don't weep
He's not asleep
Je-hovah
He's not dead

ohh ohh ohh ohh
Don't cry
wipe your eyes
He's not dead

Don't you worry 'bout a thing

And that you must go other places
Just don't you feel too bad
When you get fooled by smiling **FACES**

Don't you worry 'bout a thing
Don't you worry 'bout a thing, mama

A chance to check out the new

God my Healer.

GIANTS

Giants, do die
the bigger they are
The harder they fall
Giants, they die
Just walk around the Jericho Wall
Now we come in your name
And we stand on your word
What is loosed in the heavens
Will be loosed on earth

Now we come in your name
And we stand on your word
What is loosed in the heavens
Will be loosed on earth
Let God arise, Giants die

Your praise
Will bring down strongholds
When you praise,
You will see miracles.
Just praise, when things
Seem impossible.
And the King of Glory
Will show his glory
Let God Arise- Giants die

When you praise (x3) They gotta come down
When you worship (x3) They gotta come down
When you shout, just shout (x3) They gotta come

SATAN

Satan, we're gonna tear your kingdom down, oh Lord
Satan, we're gonna tear your kingdom down, oh Yes

You've been building your kingdom, all over this land
Satan, we're gonna tear your kingdom down.

The Preachers are gonna preach your kingdom down, you better watch out now Satan.
The Preachers are gonna preach your kingdom down, Oh Yes
You've been building your kingdom, all in the house of God
That's all right.

Satan, we're gonna tear your kingdom down.
The mothers are gonna pray your kingdom down, Oh you better watch out now Satan.
The Mothers are gonna pray your kingdom down, Oh yes sir
You've been building your kingdoms, all over this land
Satan We're gonna tear your kingdom down.
I heard Jesus out on the mount one day say, Blessed are they that moan...
You know this takes my mind back to the clay hills of Carolina.
I never will forget that little wooden church that we had there.
We didn't have pianos, we didn't have nothing but drums.
There were times when the saints would just nod their heads,
they would just pat their feet.
I'd like to remind Satan one more time, his time is just about out. Oh yes it is.

Oh Satan, Satan we're gonna tear your kingdom down
Satan, we're gonna tear your kingdom down
You've been building your kingdom, all over this land, that's all right.
Satan, we're gonna tear your kingdom down...

SHACKLES (PRAISE YOU) (1/2)

**Take the shackles off my feet so I can dance
I just wanna praise you
I just wanna praise you
You broke the chains now I can lift my hands
And I'm gonna praise you
I'm gonna praise you**

In the corners of my mind
I just can't seem to find a reason to believe
That I can break free
Cause you see I have been down for so long
Feel like the hope is gone
But as I lift my hands, I understand
That I should praise you through my circumstance

CHORUS

Take the shackles off my feet so I can dance...

SHACKLES (PRAISE YOU) (2/2)

Everything that could go wrong
All went wrong at one time
So much pressure fell on me
I thought I was gon lose my mind
But I know you wanna see
If I will hold on through these trials
But I need you to lift this load
Cause I can't take it anymore

CHORUS

Take the shackles off my feet so I can dance...

(Uhhhh) Been through the fire and the rain

(Uhhhh) Bound in every kind of way

(Uhhhh) God has broken every chain

So **let me go right now**

Take the shackles off my feet... (x2)

Take the shackles off my feet so I can dance

Take me back

**Take Me Back, Take Me Back Dear Lord,
To The Place, Where I first Received You.
Take Me Back, Take Me Back Dear Lord
Where I, first believed.
(x2)**

I feel that I'm so far from you Lord,
But still I hear you calling me.
Those simple things, That I once knew,
The memories are drawing me.
I must confess, Lord I've been blessed
But yet my soul's not satisfied,
Renew my faith, Restore my joy
And Dry my weeping eyes

**Take Me Back, Take Me Back Dear Lord
To The Place, Where I first Received You.
Take Me Back, Take Me Back Dear Lord
Where I, first believed.**

**I try so hard, I try so hard
To make it all alone. To make it, to make it
I need your hand, I need your hand
Just to make it home**

WANNA BE HAPPY? (1/3)

Kirk Franklin

I just wanna be happy
But if I keep on doing the things
That keep on bringing me pain
There's no one else I can blame
If I'm not happy
Wasted time but now I can see
The biggest enemy, it was me
So I'm not happy

Cry yourself to sleep
Shout and raise your hands
It won't change a thing child
Until you understand
■ Are you tired?

If you're tired of being the same
If you're tired of things not changing
It's time for you to get out the way
Don't get stuck in how you feel
Say Jesus take the wheeeeeeeel
He knows the road that you need to take
■ But it only works if
If you wanna be happy
■ Don't you wanna... Don't you wanna be?
Don't you wanna be happy?

I just wanna be happy
But if I keep on giving my heart
For people to tear apart
The healing will never start
So I can be happy
Will I ever be happy

WANNA BE HAPPY? (2 / 3)

Kirk Franklin

Cry yourself to sleep -- Shout

Shout and raise your hands

It won't change a thing child

Until you understand

■ Are'nt you tired?

If you're tired of being the same

If you're tired of things not changing

It's time for you to get out the way

■ Don't get stuck, Don't get stuck...

Don't get stuck in how you feel

Say Jesus take the wheeeeeeeel

He knows the road that you need to take

■ It's so easy

It's so easy to complain

Addicted to the pain

You give your heart, they push it away

■ Jesus knows

Jesus knows just how you feel

Just let Him take the wheeeeeeeel

The love you need, He already gave

■ But the question is

Do you wanna be happy?

■ I just wanna... I just wanna be happy

I just wanna be happy

■ Come on

Let me hear you say yeah

Yeah yeah

Let me hear you say yeah

Yeah yeah

■ I can't hear you, come on

Let me hear you say yeah

Yeah yeah

Let me hear you say yeah

■ Say YEAH

Yeah yeah

WANNA BE HAPPY? (3 /3)

Kirk Franklin

If you're tired of being the same
If you're tired of things not changing
It's time for you to get out the way
■ Are you ready? come on
Don't get stuck in how you feel
Say Jesus take the whee~~eeeeee~~
He knows the road that you need to take
■ It's so easy to complain
It's so easy to complain
■ Addicted to the pain
Addicted to the pain
You give your heart, they push it away
■ Jesus knows

Jesus knows just how you feel
Just let Him take the whee~~eeeeee~~
The love you need, He already gave
■ But the question is
Do you wanna be happy?
■ Say it, I just...
I just wanna be happy
■ Do you really wanna be happy?
Do you wanna be happy?
■ Say it again
I just wanna be happy
